OUR STORY

We began as one of Toronto's first restaurants. Over the years, we have grown to be a leading synagogue caterer with a long history of service par excellence to the Jewish community. We also excel in off-premise kosher catering, working in many of Toronto's finest venues. Our range is extraordinary — from intimate family dinners to simcha's of all sizes, including large community events serving more than 5,000 guests. Today, Zuchter Berk Meat & Dairy Creative Caterers is proud to be Toronto's premier kosher caterer.
